

Welcome to a new closing experience!

When you buy a home or refinance your loan, your closing is the final step when you sign the paperwork. Traditionally, closings require you to manually sign large amounts of paper documents.

Greater Nevada Mortgage is choosing to do something better – better for you, better for the environment, and better for the real estate industry.

We are using Pavaso to perform digital closings and provide you with a much better home closing experience. Pavaso gives you the opportunity to review, approve, and sign your closing documents from any web browser.

What to expect

Here's an overview of what you can expect to do once Greater Nevada Mortgage has processed your paperwork and set up an order in Pavaso's Digital Close app:

- **You'll receive a Welcome email from Pavaso**
- Click the link in that email to create your account
- Watch the Getting Started video
- Review, then Accept and Save your documents
- Meet with your closing agent to digitally close your loan

Should you have any questions or run into any issues with your digital closing experience on the Pavaso website, please email us at support@pavaso.com so we can help!
